

REMARKS

This Substitute Listing of Claims for Amendment Filed July 11, 2006 is intended to correct typographical errors in the listing of claims submitted in that amendment, and/or inconsistencies with the wording or punctuation of claims as submitted in previous amendments. In claim 1, the listing of claims submitted with the Amendment dated July 11, 2006 inadvertently stated "a magnetic circuit including a first pole piece and a second pole piece; a second pole piece;". The second occurrence of "a second pole piece;" has now been deleted. In each of claims 31, 32, and 33, the wording and punctuation of the claims has been corrected to correspond to the previously presented (and allowed) form of those claims as they appeared when introduced in the amendment mailed August 26, 2005.

It is understood that no additional fees are necessary in connection with the present Substitute Listing of Claims. However, in the event any fees are due, kindly charge the cost thereof to our Deposit Account No. 13-2855.
